

Blackberrie Build a Bear Party Kits

Building a bear party is great fun for any occasion, not just Birthdays. Why not consider a themed “Make a Bear Party” for your next Brownie party, charity event, Christmas party, Easter activity or any other celebration? Our bears are easy to make with no sewing necessary. Choose from our range of bear kits and outfits. You can even design your own bear t-shirts. Each bear comes with its own Birth Certificate. Build a bear parties are for a minimum of ten and at least two weeks’ notice is required. Bears are a great alternative to providing party bags and balloons; children enjoy the experience of making their own bear, naming it, choosing its outfit and taking it home from your child’s Birthday. Blackberrie Build a Bears can be added to any party package for £10.95 per head.

Individual bear kits can be purchased separately for £13.95. A great idea if you would like to add something special to your child’s play experience at Manic Monsters.

Price: £13.95 each or £10.95 each when added to one of our Parties.

Bear kit includes:

- Choice of No Sew 15” Plush Bear
- Individual bag of stuffing
- Birth Certificate
- Blackberrie Wish Insert
- White craft carry home bag

Just choose a bear to put into your kit and don’t forget there are lots of outfits to choose from.
