

Manic Monster Build your Bear Party Kits

Building a bear party is great fun for any occasion, not just Birthdays. Why not consider a themed “Build your Bear Party” for your next Brownie party, charity event, Christmas party, Easter activity or any other celebration? Our

bears are easy to make with no sewing necessary. Choose from our range of bear kits and outfits. Each bear comes with its own Birth Certificate and wish star insert. Build a bear parties are for a minimum of ten and at least two weeks’ notice is required. Bears are a great alternative to providing party bags and balloons; children enjoy the experience of making their own bear, naming it, choosing its outfit and taking it home from your child’s

Birthday.
